

Amsterdam, 9th of July 2010

Dear all,

Circus Elleboog will organise again a training course for trainers with the subject: Social Circus. This training will take place in the first week of November 2010. The training will be more or less the same as in March 2008 in Amsterdam. The end of July we will know for sure if this training will be financed by our national agency! The beginning of August we let you know if everything works out the way we think and if everybody who is interested can take part. We have place for 25 trainers.

Beside the trainers of Circus Elleboog we asked one trainer from Cirque du Monde (social side of Cirque du Soleil) and one trainer from Circus Eruption.

We would like to invite you with this email and give you some important information.
